Two Cottage Houses

At About the Price of One.

For immediate sale, we are allowed to offer two houses which were built only about three years ago, for a little more than one is actually worth. Both houses contain six rooms each, have good granite foundations, and are in good repair, inside and outside. There is a porch across front, and on ell to each house, and the lots are of good size. Property rents for \$240.00 per year, which is about 11 per cent on the investment. Price for immediate sale, only \$2200.00, and if the property is sold within ten days, we will, as an extra inducement, put in an extra lot adjoining this property. Let us show you this property.
